## HT Residential Service Providers

### Common Guidelines:

- Geolocation on the survivor's electronic devices must be disabled before transporting to shelter.
- Shelter locations are confidential.
- Adult survivors are free to exit the residential program at any time.
- Survivors from anywhere in the state are eligible for residential service.
- Consents of Disclosures and Releases of Information are forms related to confidentiality. The survivor must give informed consent prior to the release of any information to a third party.
